ABOUT TONY PACE

What sets Tony apart from the rest is who he is and what he can do. He's been compared to Sammy Davis and so many others. Once you hear his voice, most say that they'd be happy just listening to him sing all night. His comedic timing and material has been hailed as hilarious by people like Craig Nier (Owner of Catch a Rising Star) Victoria Jackson, Cathy Ladman, Pat Cooper and so many more. To paraphrase Vin Di Bona (Executive Producer of America's Funniest Videos). "I've never seen anyone with the ability to work an audience like Tony Pace. He's a master at audience involvement".
